

Minutes of Thurne Pools Trust Meeting

7-30pm Wed 1 December 2021. @ M Farm, Oby

Present. Rev. S. Sivyer, J Davis, A Lamb,
J. Molineux.

J.M. welcomed all, and presented the finances of the last year. Income was estimated due to RPA payment due early Dec not yet received. This payment (Basic Payment scheme) will be less than last year, and will be less each further year. J.M. warned it could disappear altogether due to govt. changes to farm support.

The meeting discussed various possible future income, or lack of it.

Winter payments discussed. Still 13 people to pay: Joan Lamb has died, and Huw Calder is to be added. S.S. proposed to increase this years payment due to increased fuel costs + inflation.

After some debate it was agreed to pay £375, an increase of £25, and enclose a note to say that due to uncertain future income we couldn't guarantee to maintain it at that amount. J.D. to draft the note for approval.
